PSSB 5134 (S-3231.1/19) - S COMM AMD
By Committee on Ways & Means

1 On page 192, beginning on line 9, after "limitations:" strike all
2 material through "lapse" on line 12 and insert the following:

3 "(1) \$1,000,000 of the appropriation is provided solely for
4 planning grants as specified in Second Substitute Senate Bill No.
5 5572 (school modernization grants). If the bill is not enacted by
6 June 30, 2019, the amount provided in this subsection shall lapse.

7 (2) \$22,000,000 of the appropriation is provided solely for
8 construction projects in small rural districts, with total
9 enrollments of less than one thousand students, where the school
10 facility does not need to be replaced and does not require an
11 extensive modernization but does have significant building system
12 deficiencies. No individual school district may receive a grant that
13 exceeds \$5,000,000. The office of the superintendent of public
14 instruction shall use an expedited grant application process in
15 selecting the grant recipients funded by this subsection"

EFFECT: Provides \$1 million for the planning work specified in
2SSB 5572 in order to prepare a prioritized list for consideration in
the 2021-23 capital budget. Provides \$22 million for small district
construction grants.

FISCAL IMPACT: None. The appropriation is not changed.
